- **Lemon Lolly (scrap):** For "LOVE" letters and Heart Glasses outlines
- **Full of Life DSP (scrap):** For Heart Glasses inner hearts

Instructions:

1. Fold Lemon Lolly cardstock in half to create your card base.

2. Using blending brushes, apply Melon Mambo, Blueberry Bushel, Blackberry Bliss, and Pumpkin Pie ink randomly over the entire Fairy Vanilla piece.
3. Run the blended panel through the Sunflower 3D Embossing Folder.
4. Lightly swipe Basic White Craft Ink over the raised embossed areas. Let dry.
5. Before adhering the panel to the card base, lightly swipe VersaMark Ink over some of the raised areas of the embossed flowers. Sprinkle with Silver Embossing Powder, tap off excess, and heat set with your Heat Tool to add a beautiful, subtle metallic shine.
6. Add shimmer over the flowers and leaves with Clear Wink of Stella.
7. Glue the completed panel to the front of the Lemon Lolly card base.
8. Die cut the word "LOVE" from both Lemon Lolly and Silver Foil cardstock. Adhere the silver letters directly to the card front. Pop the Lemon Lolly letters on top using trimmed Stampin' Dimensionals to create a shadowed effect.
9. Cut a 3" x 1/2" strip of Silver Foil and emboss it using the Sunflower 3D Folder. Flag the ends with paper snips and adhere the strip below the sentiment using dimensionals.
10. Use the Notes & Totes Dies to cut the Heart Glasses from Lemon Lolly cardstock and Full of Life DSP. Adhere the Lemon Lolly outlines to the silver banner using glue, and add the DSP hearts inside using mini dimensionals.
11. Add one Rhinestone Basic Jewel inside each heart. Tie a small Lemon Lolly Baker's Twine bow and glue it just below the hearts using a mini glue dot.
12. Brush a final touch of Wink of Stella over the LOVE letters and heart glasses.

Note: the inside sentiments are from "Love & Happiness", a retired SU set. The envelope was embossed same way as the card, just swiped with Early Espresso ink instead of white & versamark,
